Before you choose your new home ...

The purpose of the B42's Business Housing Scheme is to help new employees who have been employed by a company with an address in Sønderborg municipality to quickly find a home in the area.

The Business Housing Scheme covers every 8th vacant home at B42 – however only in the departments listed on page 3, and only homes that becomes vacant.

On page 3 you can see a list of the homes you can apply for through the Business Scheme. Before you choose which housing you want to apply for, you should be aware of the following:

You will only be offered one housing offer, and if you decline this offer, you will be removed from the waiting list and you will not be able to reapply through the Business Housing Scheme. Therefore, only apply for housing that you are interested in.

If you have not been given an offer within 6 months of your employment date, you will be removed from the waiting list. After 6 months, you can no longer be regarded as a “newcomer”.

Some of our homes only rarely becomes vacant, and it is therefore a good idea to apply for several different homes. Otherwise, you risk that none of the homes you have applied for will become available during the 6 months that you can be on the waiting list.

Please note that different rules apply for the homes in relation to pets. If you have pets, please contact us for further information.

If you accept an offered accommodation, you automatically become a member of B42.

Membership costs DKK 100 per year, which is charged with the payment of your deposit. You accumulate seniority from the day you become a member. You can use your seniority if you at some point wish to apply for another accommodation in the B42.

The company where you have been employed must confirm your employment in connection with your application. Once your employment has been confirmed, the company has no influence on which accommodation you can apply for, which accommodation you may be offered, or on your lease. The company cannot be given information about your housing search or any offers of accommodation.
