B42's Business Housing Scheme

If your business is based in Sønderborg Municipality and has hired an employee who currently lives outside the municipality (or abroad), the Business Housing Scheme can help ensure that the new employee quickly finds a home closer to the workplace.

For you and your newly hired employee to be eligible for the Business Housing Scheme, the following requirements must be met:

1. The employee must be newly employed, and your business must be based in Sønderborg Municipality.
2. The new employee must be a newcomer, meaning they currently reside in another municipality.
